

Internal Audit Report.

Council:	Thimbleby Parish Council
Internal Auditor:	Danielle Onyskiw
Year Ending:	31 st March 2026
Date of Report	13/05/2026

This internal audit has been conducted in accordance with SAPPP Practitioners' Guide - March 2025 - Section 4 'Internal Audit'. It is recommended that a council completes an intermediate mid-year audit which allows any weaknesses in governance and internal controls to be corrected during the financial year and an end-of-financial-year audit.

Internal audit is the periodic independent review of a council's internal controls resulting in an assurance report designed to improve the effectiveness and efficiency of the activities and operating procedures under the council's control. Managing the council's internal controls should be a day-to-day function of the council through its staff and management and not left for internal audit. It would be incorrect to view internal audit as the detailed inspection of all records and transactions of a council to detect error or fraud. This report is based on the evidence made available to me and sampling tests undertaken by me and consequently the report is limited to those matters set out below.

The council is required to take appropriate action on all matters raised in reports from internal and external audit and to respond to matters brought to its attention by internal and external audit. Failure to take appropriate action may lead to further audit enquiries being raised and the external auditor issuing a qualified opinion.

Internal Audit Report.

To the Chairman of Thimbleby Parish Council

I have examined council business documents including policies, agendas & minutes, accounting and financial statements and other documents relevant to this internal audit.

I confirm that I am independent of the council, its officers and councillors and its activities and I identified no conflicts of interest to my work with this council to the best of my knowledge.

The results of this internal audit are recorded on the next page. If any part of the audit was found to 'unsatisfactory' I have provided recommendations to improve the weakness identified.

The audit was carried out using data published on the Councils website and documents provided by the Clerk.

I wish to thank the Clerk & RFO for supplying supporting documentation and evidence as required / requested during the internal audit process.

Yours sincerely

Danielle Onyskiw

Recommendations

1. RISK MANAGEMENT

Assets Inspected – There is no evidence that certain Council Assets are being inspected. The asset register includes benches and bus stops, but no details of inspections have been provided.

2. PAYROLL & HR

Minimum wage threshold met – Evidence on file and the website indicate the Council may not have complied with National Minimum wage. Based on the hours the Clerk has worked compared to amount paid for these hours does not meet minimum wage requirements.

Job description up to date and reviewed – It is evidenced in the minutes that the Clerks appraisal has been deferred numerous times. Minutes show that a review of the contracted hours and duties has been ongoing since July 2025 with no resolution.
